Hi Stan,

As an FYI... I have a funeral out of town tomorrow, so I'll have spotty connections to my email. Please feel free to call me on my cell (b) (6) if you need me.

One last thought. Should you take action on this, will Varidesk know that I was the one who called you and issued a complaint. I'm concerned about retaliation against my company and products. They use a huge PR firm who can really do damage to us if they choose to...

Sincerely,

Below shows that we lost the Marine bid due to freight from China.

(b) (6) this opportunity was passed on because of price sensitivity due to us incurring freight charges. We can only proceed if the supplier give us FOB: Destination pricing.

Thank you,

Hi (b) (6)

The quote shows the tiered volume pricing. I put no shipping charges because I assumed this would go to a consolidation point. I'll give you a call too.
